this republication of the third edition 1889 of John Collier's classic text offers a fascinating and informative glimpse into the academic oil painting tradition of the late nineteenth century. It includes instructions for painting from life using the sight size method, advice on choosing the proper paints and mediums, as well as in-depth discussions of subject matter, color theory, and the comparative advantages of direct versus indirect painting. Highly recommended for anyone interested in the revival of traditional oil painting techniques.
