the short stories and novellas are among my earliest science fiction works writing in alaska in 1987 i made a couple of trips to europe while enrolled in an english writing course at the university of alaska at juneau most of these stories were written at or at least mention wrangell a small town 150 miles to the south of the state capitol at juneau 140 000 words

in this study paul s chung charts the history of social scientific study of religion from the axial age to the present day and thereby lays a foundation for a new model of constructive theology in the comparative study of religion culture and society analysing the thought of max weber alfred schutz pierre bourdieu michel foucault edmund husserl max horkheimer and others chung deals effectively with material interests

power relations and the history of race gender and sexuality the result is a synthesis that is at once innovative critical and applicable to current methodology in theology and the social sciences

my theological work was always only a superstructure placed upon the experiences and sufferings of my life helmut thielicke thielicke s story is one of extraordinary circumstances especially as a young man living through germany s darkest hour he was time and again put on the brink of death by fatal sickness nazi oppression and war these experiences left an indelible mark on his worldview in this thoroughly researched study fabian f grassl takes a fresh and original look at thielicke s turbulent life through the specific lens of suffering and death he paints an intimate portrait of a boundary rider whose theology uniquely developed in the face of death as a result new light is cast on one of the outstanding theologians ethicists and preachers of the twentieth century the reader is invited to explore a world of thought decidedly shaped by the eschatological existence of an intriguing personality a flawed human being like the rest of us yet endowed with a fascinating theological prowess taking his stand amongst germany s major historical upheavals of the last centenary

three far reaching global trends terrorism pluralism and globalization have irrevocably altered how we live think and communicate in the twenty first century we now live in a glocal world what happens globally impacts us locally and what happens locally impacts things globally these changes have profound implications for followers of jesus rick love offers biblical wisdom and practical insights on how to navigate the complexities of communication in this interconnected world he also invites you to an inward journey that helps you better discern how the things of the heart relate to the work of the ministry glocal following jesus in the 21st century is a call to be a faithful follower of and a winsome witness for jesus love will help you better embody and communicate a core message worth dying for an integrated identity worthy living for and a global dream worth suffering for

a major church shift is happening all around the world god is once again bringing back the power and simplicity of new testament style christianity the lord is raising up the global house church movement do you want to reach your friends and your nation with an approach to church life and church planting that is biblical and effective if so read this book

this book has two goals to educate healthcare professionals about the effect of identity based adversity on the health of their lgbt patients and to outline how providers can use the clinical encounter to promote lgbt patients resilience in the face of adversity and

thereby facilitate recovery toward this end it addresses trauma in lgbt populations factors that contribute to resilience both across the lifespan and in specific groups and strategies for promoting resilience in clinical practice each chapter includes a case scenario with discussion questions and practice points that highlight critical clinical best practices the editors and contributors are respected experts on the health of lgbt people and the book will be a first of its kind resource for all clinicians who wish to become better educated about and provide high quality healthcare to their lgbt patients

this 20e contains 400 articles which represent a thoroughly updated and expanded look at the entire field of social work the 4 volumes cover all aspects of social work from practice interventions social environments social conditions and challenges to social policy and history co published by oup and the national assoc of social workers usa
